

How to get a GMRS (General Mobile Radios Service) License

The \$35.00 / 10 years GMRS license is obtained from the FCC (Federal Communications Commission). In order to work with the FCC, you will need an FRN (Federal Registration Number) to be used in lieu of your Social Security Number. If you already have an FRN, skip this section.

FRN

To obtain an FRN, you will have to register with a username and password at the FCC CORES (COmission Registration System)

<https://apps.fcc.gov/cores/userLogin.do>

Click on Need a Username? And Register

See this help file:

https://apps.fcc.gov/cores/html/Register_New_FRN.htm

GMRS License

Log in to FCC ULS (Universal Licensing System -

<https://www.fcc.gov/wireless/universal-licensing-system>

On the left-side of the screen, click “Apply for a new license”.

From the drop down box, select the Radio Service for the new license = GMRS

Click “continue” or navigate through the application

Sign your application and click “Submit Application.”

Note: by typing your first and last name in the name fields, you have signed your application
